One month to go! The [30th ICDE World Conference 2025](#) will take place in Wellington, New Zealand from 10-13 November 2025.

Hosted by [Open Polytechnic of New Zealand and Massey University](#), this unique global conference will bring together educators, researchers, and innovators advocating for inclusive, scalable and sustainable education from around the globe.

The [theme](#) for the ICDE World Conference 2025 is 'Ako' - a Māori concept meaning reciprocity in learning and teaching, the exchange of ideas. The packed programme of multiple parallel sessions also offers ICDE's largest international workshop on innovation in education, as well as the first ever Global Education Forum gathering top-level policy experts and voices on the future of education.

[Register here](#) - ICDE member and day rates available!
